If there is additional information regarding any of these issues that you would like the Court to consider but which is confidential, you may include that information on a separate page, attach the page to this motion, and, in section IV below, request that that attachment be sealed.

My mother needs a kidney transplant. She has been on dialysis for 3 plus years. I am ~~her~~ her first born son, and I am the same blood type (A+). But no matter what I can donate to the national registry and then my Mom would get the next available kidney. I have two brothers. One is not the same blood type and the other has an auto-immune blood disorder. The transplant team needs to run extensive tests on me before I can donate. And I must have insurance.
